## IMPLEMENTS OF BALANCE

A devout follower will  
know the true path  
towards Balance. Thou  
shouldst know the arts  
necessary to achieve  
Balance. To those of you  
who have forgotten your  
lessons -- take heed: Fire  
is the embodiment of the  
force of Chaos, Ice is  
the embodiment of the  
force of Order. The Ice  
Diamond and the Fire  
Ruby are necessary to  
achieve balance within the  
shrine. Disciple of  
Balance, know the true  
way to balance fire is  
with ice, and the one way  
to balance ice is with  
fire. Using thy tools of  
the candles of fire and  
the solids of ice thou  
mayest achieve the way  
to Balance and to the  
Shrine.
